ZOOM 60

—Built by Heysea

MAXIMIZED SPACE SUPREME COMFORT

Introduced in 2015, Heysea's Zoom series is designed for maximum space and comfort. Easily recognizable by their axe bow the series offers interior volume considerably larger than conventional bowed yachts of the same length. The modern hull shape reduces roll making onboard life more comfortable both while cruising and at anchor.

Extensive use of glass allows for natural light in the cabins and a marvelous view on the ocean. With a nearly 360-degree unobstructed view and no additional structures inside the walls the series' open and light main decks are a perfect combination of luxury and comfort. Be it a hot summer day in the Mediterranean Sea or cruising through the cold fjords of Norway the Zoom series' glass superstructure ensure the ultimate comfort while guests marvel at breathtaking landscapes. The Zoom series brings yachting to another level connecting people and the ocean in a way unseen in yachts of this size. Both yachts of the series (60ft and 76ft) are built from composite material and are highly customizable fulfilling every owner's dream.

Sunbathing, dining
and relaxation.

Foredeck Island
Expansive couch area

PROFILE VIEW

Heysea's Zoom 60 is the perfect combination of privacy and openness. Designed for family or a group of friends the yacht can host up to six guests in four cabins.

Watching the ocean from inside the luxurious superstructure or feeling the wind in your hair sitting on the innovative foredeck, the Zoom 60 offers plenty of open and comfortable spaces. Its spacious design and light and open interior redefine yachts' association with freedom.

Easily controlled from one of its two helm stations and equipped with everything from BBQ to sun lounges, Zoom 60 is ideal for a quiet family weekend or a holiday trip amongst friends.

FOREDECK

Put your feet up in Zoom 60's comfortable couch island. Located central on the yacht's fore deck, this area is the perfect spot to relax with a cup of coffee and a good book.

AFTDECK

Family game or candlelight dinner- Zoom's 60 spacious and comfortable aft deck is the ideal location for alfresco dining and relaxation.

FLYBRIDGE

Equipped with BBQ, dining table and sun lounges, Zoom 60's flybridge serves as a second outside dining and sunbathing area.

MAIN DECK

Surrounded by large windows and entered through a full height sliding glass door, Zoom 60's main deck is spacious and open. A fully equipped galley, a stylish dining area and a large salon with pop-up TV make this completely customizable area the heart of the Zoom 60.

LOWER DECK

Featuring a full beam ensuite owner and VIP cabins, Zoom 60 's lower deck provides space for five to six guests (depending on configuration).

Large windows and carefully placed mirrors make these cabins feel spacious and supreme comfortable.
